This term we welcome Veronika Mendes to our school family.

Veronika works for Place2Be

How Place2Be works?

There is a special Place2Be room inside the school where children can go to express and think about their worries, through talking, creative work and play.

Paul Clancy - Executive Director

Trained adults called School Project Managers support this process, helping children to find new ways of coping with difficulties so they don't get in the way of friendships and learning.

How we help children?

Place2Be works with children one-to-one and in small groups, offering regular time-tabled support for those who will benefit most. All pupils can find help with friendship issues and other worries by choosing to visit Place2Talk. Short lunchtime sessions are open to individuals and groups.

Place2Be always gets agreement from parents or carers before they support a child through one-to-one counselling. They also meet with parents or carers regularly to keep them updated and make sure they are involved from the start.

Place2Be is just starting it's work at Rowantree Primary School and we would like to ask all the parents if they agree on their children to be able to use our service. During the next week children will be learning more about Place2Be through presentations and in-class activities. Every child will receive a consent form that they will take home to give to their parents or carers.

Please hand the form back to the teacher if you do not want your child to work with Place2Be.

Should you have any questions please do not hesitate to contact Veronika Medne our School Project Manager for Place2Be.

If you want to find out more about Place2Be visit place2be.org.uk.
