Tuesday 18th February—Mid-term holiday

Monday 9th March—Parent's Night

Wednesday 11th March—Parent's Night

Friday 27th March—3.15pm School finishes for Spring Holiday

Mobile Devices

A number of our young people received mobile devices for Christmas—phones, watches etc. If your child wishes to bring these to school any technology that has a camera on it these must remain in school bags who handed for the teacher for the duration of the school day.

School Dinners

A number of our pupils are opting to go to local shops for school lunches. Unfortunately we have received a number of concerns from local residents about the conduct of some of our pupils and we have even had a few near misses on the roads with children not keeping themselves safe. We are also concerned about the high level of sugary food and drinks been consumed and a number of our pupils are returning late from lunch also.

We would actively encourage pupils to stay in school for lunch but if you still wish your child to select home dinners we would appreciate your support in encouraging healthy choices and keeping safe.

Nut Allergy

It has come to our attention that a few of our pupils have recently been diagnosed with a nut allergy.

Can I encourage you to, wherever possible, ensure children do not bring snacks to school which contain nut products.

Website

We have recently revamped our school website. This is still a work in progress and would welcome any suggestions for improvement you may have.

Currently it contains some important information and can be accessed here
