Dear Parent/Carer

As you are aware we have introduced a number of steps to ensure safety of as all since returning to school.

These are reviewed regularly, and updates will be issued every few weeks if there are any changes.

Our staggered start has worked very well and we will continue with this for the time being with one small alteration. Doors will be open from 8.50am and will remain open until 9.15 am (instead of 9.20am).

We are also changing our lunch times. Our lunch break will be 12.15pm – 1.00pm and a 15 min afternoon interval will be introduced. Class teachers will inform pupils of details of eating times and playing times.

These changes will start on Monday 31st August.

I want to thank you all for working with us during this challenging time. We have very few children going home which is a great help to us. Just a gentle reminder to keep to social distancing rules. I know it is difficult when talking to a member of staff or a friend in the playground but just now it is still really important to stick to the 2m distancing rule.

Thank you again for all your support.

Yours sincerely

Mr.Munro
