

2017-2020

Rowantree Primary School Attainment Strategy

Rowantree
Primary
School

**'Raising Attainment, Achievement and Ambition in Dundee'
- Can do, Must do, Will do' -**

Vision

Provide a nurturing environment where our young people feel safe, happy and included.

Deliver a curriculum that is designed to meet the needs of our emerging young workforce.

Equip our young people with the necessary skills for learning, life and work in order to achieve their full potential in our ever changing society.

Values:

- Raising aspirations of our young people
- Show integrity in everything we do
- Foster positive relationships with everyone in our school community
- Everyone within our school community is valued

Aims:

- Be the best we can be
- Treat everyone with respect
- Celebrate and enjoy the success of everyone in our school community
- Learn through discovery, challenge and enjoyment
- Feel safe, secure and valued

School Priorities:

Improvements in Performance

- To implement profiles across whole school
- Robust self-evaluation procedures for whole school
- Robust and rigorous quality assurance procedures
- Develop & improve existing system for analysis of data
- To improve quality of learning and teaching within Literacy, Numeracy and BGE
- To improve attainment for all ensuring equity and equality
- To develop a strategy for family learning to engage parents and raise attainment

Learning and Teaching

- Ensuring consistent approaches to learning & teaching incorporating principles and co-operative learning
- Ensure coherent approach to teaching Literacy across all levels
- Ensure coherent approach to teaching Numeracy across all levels
- Support professional learning and reflection of all staff to assess progress and achievement in numeracy and mathematics
- To improve pedagogy at all levels

Curriculum Development

- Ensure coherent delivery of the four contexts of learning and BGE
- Establish a shared curriculum rationale incorporating the 7 design principles
- Develop use of benchmarks to aid planning and identify next steps in learning and identify any gaps in learning

Meeting Learning and Wellbeing Needs

- Develop effective transition for nursery-P1. stage to stage and P7-S1 across the cluster
- Develop whole school nurturing approach
- To develop robust systems and procedures to record level wellbeing needs to ensure better outcomes for young people
- To implement our own individual ARG

Improvement Through Self-evaluation

- To improve the quality of self-evaluation ensuring this leads to school improvement
- Ensure professional learning is well facilitated and signposted for all staff
- Develop leadership of learning at all levels

Table of Interventions		
Literacy	Numeracy	HWB
Tuition	Tuition	Develop nurture room provision
Alliance model – moderation and professional support	Development of numeracy pioneer	Attendance initiative
Reading challenge	Numeracy CLPL	Pupil concern meetings
Spelling program	Improved pedagogy in maths (CUIN)	Improvement methodology training
Attainment meetings	Attainment meetings	HNIOS
Parental attainment meetings	ATHENA homework	Improved tracking (all staff)
Improved tracking (all staff)	Improved tracking (all staff)	ASPIRE
Moderation (school level)	Moderation (school level)	Develop role pf PT to support learners across the whole school
Specific CLPL for staff eg NUMICON, Teaching children to listen		Develop use of ABLe planning
Robust data analysis at teacher, and SLT level		SFL record and referral process to ensure progress
Use of benchmarks for moderation	Use of benchmarks for moderation

Raising Attainment Strategy 2017-2020

Appendix 1

PEF Proposal Year 1

Proposal Proposal Period :		Local Authority:		Education Manager:		
April 2017 – March 2018		Dundee City Council		Daniel Webster		
				Link Education Officer:		
				Anne Leary		
School:	Rowantree PS	PEF Total Allocation:	£205200	Completed by:	G Munro	
Evidence based Rationale:		Proposed Interventions:		Impact Measurement:		HGIOs NIF Governance
<p>A traditional timetable is not working for a number of young people in school. They spend most of the day out of class and very little time with their peers. A higher level of targeted support is required.</p>		<p>Social and emotional wellbeing Early Intervention and Prevention Set up a Nurture room staffed with CT, HWBA,SFDW and PEYSA. This will allow targeted pupils to have a soft start and easy end to the school day. It will include setting goals and reflection time. There will also be regular feedback to parents and opportunities for parents to be involved within the nurture room The team will also be responsible for ensuring a consistent approach across the school</p>		Dataset	1.3	PE
				Inclusion	2.2	PI
				Participation	2.3	
				Engagement	2.4	
				• More time spent in mainstream class –	2.5	
				accessing the curriculum	2.6	
				• Less exclusion	2.7	
• Positive outlook on school	3.1					
• Improved parental relationships	3.3					
• Reduced incidences of classroom disruption.						
• Ensures a calmer working environment.						
• Allows the young person time to think about and verbalise their emotions and						

		<p>reflect on their behaviour.</p> <ul style="list-style-type: none"> • Supports the young person in making better choices. • Supports the young person in developing key skills and feeling more confident about their ability to achieve. 			
<p>Small group tuition and regularly 1:1 targeted support which provides additonality and measure regularly has shown to raise attainment (JRF, Sutton Trust)</p>	<p>Targeted approaches to literacy and numeracy Dedicated member of teaching staff to oversee tuition and support. To collect data and carryout assessments Small group or 1:1 tuition in numeracy and literacy Gaps in learning and staff (PEYSA) will work with pupils as additional provision All staff providing this intervention will be trained in:</p>	<p>Dataset: Attainment</p> <p>Improved attainment – less gaps in learning Increased confidence in learning Improved performance in baseline assessments More pupils achieving appropriate CfE levels at appropriate stage</p>	<p>2.2 2.3 2.6 3.2</p>	<p>TP AOCP PI</p>	

	CUIN Numicon Fresh Start/ Learning to Read				
To Identify and address barriers to engagement and learning, in line with Additional Support Needs legislation and Getting it Right for Every Child to improve the life chances of our most vulnerable learners and allow each child to reach their full potential. Effective and targeted approaches to tracking and monitoring progress supports the identification and removal of barriers to learning.	<p>Differentiated Support</p> <ul style="list-style-type: none"> • ABLE planning • Flexible Learning Packages • Individual support timetable • Supported group timetables • Tuition • In class support <p>Precision teaching</p>	<p>Dataset: Attainment Participation Inclusion</p>	2.2 2.3	TP	

RATIONALE:

Attainment in Rowantree is significantly below that of both the city and of comparator schools. As the pupil demographic at Rowantree shows 80% of pupils live within SIMD 1 and 87% in SIMD 1 and 2 it is clear that interventions required to improve attainment will target the whole school.

Attainment for 2015/16 was (no breakdown for SIMD available):

Stage	P1	P4	P7	Total
Reading	35%	60%	0%	34%
Writing	46%	51%	0%	35%
Listening and Talking	58%	82%	0%	50%
Numeracy	44%	76%	0%	43%

Attainment for 2016/17:

Overall data:

Stage	Reading	Writing	L&T	Numeracy
P1	45%	30%	83%	50%
P4	73%	62%	78%	67%
P7	69%	41%	55%	31%
Total	60%	44%	74%	51%

There is more detailed data in terms of SIMD breakdown included for this session

SIMD 1+2 (86%)

Stage	Reading	Writing	L&T	Numeracy
P1	48%	33%	82%	57%
P4	71%	64%	77%	71%
P7	70%	41%	55%	33%
Total	63%	46%	73%	55%

As part of the local authority's Attainment Challenge all future interventions funded through PEF will complement and enhance any existing interventions that support numeracy, literacy and HWB they will be additional.

At Rowantree Primary school the evidence above supports the main interventions to close the attainment related poverty gap. The proposals are also closely linked to the findings from the JRF report: Closing the attainment gap in Scottish Education mainly:

- *Literacy teaching works. PISA surveys show that increasing reading engagement could mitigate 30 per cent of the attainment gap. Reading also has long-term effects on vocabulary and achievement in other curricular areas*
- *Nurture groups and programmes to increase social, emotional and behavioural competencies show promise. However, the impact on attainment needs robust evaluation*

- *Peer tutoring, meta-cognitive training (helping children understand and improve their own learning) and one-to-one tutoring using qualified teachers, trained adults or trained peer tutors have improved literacy and numeracy in Scotland*

Closing the attainment gap is the key focus for the school and this will be reflected in the School Improvement Plan. The key documents which will feed into the improvement plan and help shape the rationale for the PEF plan are:

- National Improvement Framework
- Tayside Plan for Children, Young People and Families
- SIF and HMle action Plan
- Rowantree Primary School Attainment Strategy.

Indeed the Tayside Plan states:

The Plan focuses on reducing inequalities, promoting educational attainment and enabling children and young people with additional and complex health concerns to access high quality healthcare services. It promotes targeted support towards the early years and addressing the key issues which can act as barriers to children and young people achieving their full potential as they move towards and into adulthood.

The vision of the partnership is clear:

“Our children and young people will have the best start in life and Tayside will be the best place in Scotland to grow up”

The Rowantree PS plan is to localise this vision to our city and more specifically our school.

ADDITIONAL STAFFING PROPOSALS:

	Role	FTE / hours/No.	£
Teaching staff	Raising attainment teacher <i>This has not happened and will not be happening</i>	35 (1FTE)	Approx. 45000(?)
Support staff	Education Resource Worker (School & Family Development) <i>This has not happen – still aiming for this however</i>	35	28724.93026 20000
	Primary / Early Years Support Assistant (grade 4) x6 <i>Only had 3 from October</i>	(32?)	18867.017 113202.102 566601.051
Residential Trip	Subsidise trip to Glenshee for all p7 pupils		6600
Subsidise local trips for classes			2000
Professional Reading	Elephant in the Classroom		400
ICT Equipment	Active Panels		60000
Dundee Bairns	Homework club and dinners		10000
Total			155601

REMAINDER OF MONEY

Approx £15700 will be left over. This will be used for as of yet unplanned training requirements and resources

<p>To Identify and address barriers to engagement and learning, in line with Additional Support Needs legislation and Getting it Right for Every Child to improve the life chances of our most vulnerable learners and allow each child to reach their full potential. Effective and targeted approaches to tracking and monitoring progress supports the identification and removal of barriers to learning.</p>	<p>Differentiated Support</p> <ul style="list-style-type: none"> • ABLE planning • Flexible Learning Packages • Individual support timetable • Supported group timetables • Tuition • In class support <p>Precision teaching</p> <p>Place2Be Service 2 days a week including staff training</p>	<p>Dataset</p> <p>Attainment Participation Inclusion</p>	<p>2.2</p> <p>2.3</p>		Proposed Costs	Staff costs
					Place2Be £32000	

Evidence based Rationale:	Proposed Interventions:	Impact Measurement:	HGIOs	NIF	Governance	
<p>The vocabulary gap is a clear indicator for future attainment. It is very evident within our school. There is a need to build upon the good work started by SALT within the early years setting. Attainment across the school for literacy is poor and the dip from p3 onwards is considerable. EEF research shows oral interventions impact on young people. There is considerable evidence from schools in Tayside that this approach works. Interventions for equity shows targeted approaches to literacy and numeracy have a significant impact</p>	<p>SALT: Word Aware Teacher Narrative Learning to listen Teacher talk Staff training Parent workshops</p>	<p>Dataset</p> <p>Engagement Attainment Participation</p> <p>Improved attainment in literacy across the whole school Listening and talking to be developed and clear progressions embedded Enriched literacy curriculum</p>	<p>1.2 2.2 2.4 2.7 3.2</p>	<p>PE TP AoCP</p>	<p>Proposed Cost</p>	<p>£27000</p>

Evidence based Rationale:	Proposed Interventions:	Impact Measurement:	HGIOs	NIF	Governance	
<p>Engaging young people particularly at p6 and p7 continues to prove to be problematic. EEF research shows Sports Participation and Social and Emotional Education has an positive impact on young people. Interventions for equity are met through Social and Emotional Wellbeing , Promoting healthy lifestyles and Promoting a high quality learning experience</p>	<p>SFA School of Football: 24 targeted pupils form p 5-p7 will receive input from qualified SFA coaches. This will take the form of 2 afternoons a week 1 hour health and well being 1 hour football skills. The hope is also to involve parents in the delivery of this Work in partnership DUSC Use of PASS to track attitudes to school</p> <p>Work with Ancrum Outdoor Centre With bespoke model – separate plan available</p>	<p>Dataset</p>	<p>3.1 2.3</p>	<p>AoCP PI</p>	<p>Proposed Cost</p>	<p>£15000 £20000</p>
		<p>Participation Engagement Attendance</p>				
		<p>Improved engagement with school which will allow improved engagement in other areas of the curriculum Improved attendance for some targeted pupils Participation in clubs at school and community level</p>				

Evidence based Rationale:	Proposed Interventions:	Impact Measurement:	HGIOs	NIF	Governance	
<p>Encourage parents to be an integral part of the school</p> <p>Shape policy and inform improvement</p> <p>Improved parental engagement leading to greater involvement in the learning of their child</p> <p>Promote family learning</p> <p>Using partners to support our wider community</p> <p>EEF research shows Parental Engagement has a positive impact on young people.</p> <p>Interventions for equity are met through Social and Emotional Wellbeing ,</p> <p>Promoting healthy lifestyles and partnership working</p>	<p>Community Café:</p> <p>A daily community café run by staff, pupils and parents providing breakfast.</p> <p>Daily breakfast and an opportunity for parents to socialise. SFDW will be there and SLT will attempt to be represented most days.</p> <p>Work with Open University and variety of other partners to offer parents opportunities to learn</p> <p>Feedback on school improvement etc will also be gathered on occasion</p>	<p>Dataset</p> <p>Engagement</p> <p>Inclusion</p> <p>Attendance</p> <p>Higher number of parents see themselves as proper partners in the school</p> <p>Parents voice heard in shaping improvement</p> <p>Some pupil engagement, inclusion and attendance improve due to improving positive parent school relationship</p>	<p>1.5</p> <p>2.4</p> <p>2.7</p> <p>3.1</p>	<p>PE</p> <p>SI</p>	<p>Proposed Cost</p>	<p>£15000</p>

Evidence based Rationale:	Proposed Interventions:	Impact Measurement:	HGIOs	NIF	Governance	
<p>Many pupils do not have access to activities that many would see as standard childhood experiences. To enrich the learning experience we would ensure there was no cost to this. Interventions for equity are met through Social and Emotional Wellbeing , Promoting a high quality learning experience Engaging beyond the school</p>	<p>Enrichment Programme Staff, pupils and parents to devise a list of 35 (5 per year) that pupils have to experience by primary 7 These should enrich the learning of our young people and enrich their lives This will form part of our curriculum rationale</p>	<p>Dataset Inclusion Engagement Participation Pupils have more positive attitude toward school leading to improved engagement</p>	<p>2.2 3.1</p>	<p>AoCP</p>	Proposed Cost	£15000

As part of the local authority's Attainment Challenge all future interventions funded through PEF will complement and enhance any existing interventions that support numeracy, literacy and HWB they will be additional.

At Rowantree Primary school the evidence above supports the main interventions to close the attainment related poverty gap. The proposals are also closely linked to the findings from the JRF report: Closing the attainment gap in Scottish Education mainly:

- *Literacy teaching works. PISA surveys show that increasing reading engagement could mitigate 30 per cent of the attainment gap. Reading also has long-term effects on vocabulary and achievement in other curricular areas*
- *Nurture groups and programmes to increase social, emotional and behavioural competencies show promise. However, the impact on attainment needs robust evaluation*
- *Peer tutoring, meta-cognitive training (helping children understand and improve their own learning) and one-to-one tutoring using qualified teachers, trained adults or trained peer tutors have improved literacy and numeracy in Scotland*

Closing the attainment gap is the key focus for the school and this will be reflected in the School Improvement Plan. The key documents which will feed into the improvement plan and help shape the rationale for the PEF plan are:

- National Improvement Framework
- Tayside Plan for Children, Young People and Families
- SIF and HMIE action Plan
- Rowantree Primary School Attainment Strategy.

Indeed the Tayside Plan states:

The Plan focuses on reducing inequalities, promoting educational attainment and enabling children and young people with additional and complex health concerns to access high quality healthcare services. It promotes targeted support towards the early years and addressing the key issues which can act as barriers to children and young people achieving their full potential as they move towards and into adulthood.

The vision of the partnership is clear:

"Our children and young people will have the best start in life and Tayside will be the best place in Scotland to grow up"

The Rowantree PS plan is to localise this vision to our city and more specifically our school.

Rationale

As part of the local authority's Attainment Challenge all future interventions funded through PEF will complement and enhance any existing interventions that support numeracy, literacy and HWB they will be additional.

At Rowantree Primary school the evidence above supports the main interventions to close the attainment related poverty gap. The proposals are also closely linked to the findings from the JRF report: Closing the attainment gap in Scottish Education mainly:

- *Literacy teaching works. PISA surveys show that increasing reading engagement could mitigate 30 per cent of the attainment gap. Reading also has long-term effects on vocabulary and achievement in other curricular areas*
- *Nurture groups and programmes to increase social, emotional and behavioural competencies show promise. However, the impact on attainment needs robust evaluation*
- *Peer tutoring, meta-cognitive training (helping children understand and improve their own learning) and one-to-one tutoring using qualified teachers, trained adults or trained peer tutors have improved literacy and numeracy in Scotland*

Closing the attainment gap is the key focus for the school and this will be reflected in the School Improvement Plan. The key documents which will feed into the improvement plan and help shape the rationale for the PEF plan are:

- National Improvement Framework
- Tayside Plan for Children, Young People and Families
- SIF and HMIE action Plan
- Rowantree Primary School Attainment Strategy.

Indeed the Tayside Plan states:

The Plan focuses on reducing inequalities, promoting educational attainment and enabling children and young people with additional and complex health concerns to access high quality healthcare services. It promotes targeted support towards the early years and addressing the key issues which can act as barriers to children and young people achieving their full potential as they move towards and into adulthood.

The vision of the partnership is clear:

"Our children and young people will have the best start in life and Tayside will be the best place in Scotland to grow up"

The Rowantree PS plan is to localise this vision to our city and more specifically our school.

SIMD Band
Report.pdf

Over 87% of pupils who attend Rowantree Primary School live in either SIMD 1 or 2 () so almost all interventions are considered to be whole school interventions.

Attainment is very poor particularly around p4. This is being addressed with the introduction of pedagogy PT and a restructure of staff to allow additional support.

Some PEF money not on this plan may be used to purchase additional resources on Big Write and Maths No Problem which staff have now been trained in and research shows has an impact on inment.
